PAPILLION, Nebraska – WEL-Life at Papillion, a provider of assisted living care, is proud to announce that they are the recipient of Pinnacle Quality Insight’s 2021 Customer Experience Award™. Qualifying for the award in the category of Move-in Process, WEL-Life at Papillion displays a continued dedication to providing Best in Class senior healthcare services.

Executive Director Paula Fandry describes receiving the award as an honor. “We are elated to be recognized by Pinnacle. It’s great to have our efforts acknowledged,” she said. “I’m very proud of our employees for all the work they’ve done on a daily basis to see that each resident is receiving the care and attention they need given the restrictions we’ve had during the pandemic. It’s very important that we’ve been able to accept admissions during COVID and it’s awesome that our customers thought we made that process easy to navigate.”

Throughout its history of serving the community, WEL-Life at Papillion has placed a strong emphasis on ensuring that the individual needs of every resident are met. Over the course of 2020, a sampling of WEL-Life’s customers and their families have participated in monthly telephone interviews that include open-ended questions, as well the opportunity to rate the facility in specific categories.

Every month, WEL-Life at Papillion has gathered its real-time survey results to gain a better understanding of the resident’s needs and make improvements when necessary. By qualifying for the Pinnacle Customer Experience Award™, WEL-Life at Papillion has satisfied the rigorous demand of scoring in the top 15% of the nation across a 12-month average.
